

# KITCHEN

Led by Ivan Brehm, Appetite brings together an R&D kitchen, record bar, and art gallery to create a new kind of community across boundaries. We describe our approach as crossroads thinking, investigating and reinterpreting moments of connection between cultures around the world.

Our current exhibition, *STAGING: MAPPLETHORPE*, marks the photographer's first solo show in Singapore. Robert is widely known as one of the most important artists of the 20<sup>th</sup> century. This show is a look into his pursuit of timeless beauty. Artwork pricing information is available upon request.

Our Kitchen is a centre for culinary research as well as an intimate and experimental dining experience. We serve an omakase menu that draws on a deep study of global food traditions and our love of improvisation.
