

KITCHEN

Led by Ivan Brehm, Appetite brings together an R&D kitchen, record bar, and art gallery to create a new kind of community across boundaries. We describe our approach as crossroads thinking, investigating and reinterpreting moments of connection between cultures around the world.

Our current exhibition, *a bird flies into the mirror*, features the private collection of Michaelangelo and Lourdes Samson. It brings together the works of six artists – Raena Abella, Poklong Anading, Annie Cabigting, Roberto Chabet, Nona Garcia, Wawi Navarozza – who adopt conceptualism as a self-reflexive artistic strategy. These artists, especially Chabet, are recognised to be pioneers of conceptual art in the Philippines and more broadly, Southeast Asia. The exhibition highlights artists who have yet to be widely shown in Singapore and extends ongoing critical discourses of conceptual art and regional practices.

Our Kitchen is a centre for culinary research as well as an intimate and experimental dining experience. We serve an omakase menu that draws on a deep study of global food traditions and our love of improvisation.
