

# KITCHEN

Led by Ivan Brehm, Appetite brings together an R&D kitchen, record bar, and art gallery to create a new kind of community across boundaries. We describe our approach as crossroads thinking, investigating, and reinterpreting moments of connection between cultures around the world.

Our current exhibition, *Mise en Place*, brings together the works of six artists – Mauricio Alejo, Lesley-Anne Cao, Chen Wei, Catherine Hu, Chayanin Kwangkaew, and Genevieve Leong. The exhibition takes Appetite's own site as a starting point to explore the poetics of the everyday, subverting the familiar through humour and wit.

Our Kitchen is a centre for culinary research as well as an intimate and experimental dining experience. We serve an omakase menu that draws on a deep study of global food traditions and our love of improvisation.
