Sparklings of the World

Happy Birthday! Congratulations! Bonne Appetite!

To celebrate their steps into the unknown world, pagan explorers anointed themselves with a blessed liquid – blood, booze, or brandy. Recognizing that you could christen a ship without a priest, the Royal Courts of Europe chose the 'holy water' of champagne as it visually overflowed with abundance, joy, and grandeur.

From religious ritual to today, sparkling wines continue to mark new beginnings for all. L'chaim!

Sauvignon Blanc

Hidden amongst the sprawling grapevines of 16th century France, Sauvignon Blanc grapes were named after the 'Sauvage', or 'wild' grapevines with similar leaf shapes. Outstanding examples from the Loire were characterized by aromatic depth, citrus-forward freshness, and crisp acidity.

Chardonnay

The Helen of Troy of white wines - plenty have tried but none yet own the origins of Chardonnay. Top contenders include the 17th century village of Chardonnay in Saône-et-Loire, Cistercian monks in northern Burgundy, and Chardenay; a village in south Burgundy where Thistle (also known as Cardonacum) grows.

Pinot Gris/Pinot Grigio

Originating from a spontaneous mutation of the beloved pinot noir in France, Pinot Gris has grey skins but usually makes white wine. Known as Pinot Gris in France and Pinot Grigio in Italy, this grape travels far and wide impressing tasters globally.

Chenin Blanc

Chenin Blanc is responsible for some of the longest-lived white wines in the world. Largely from its spiritual home in the Loire Valley of France, it has become a serious player in the new world, namely South Africa and Australia.

France 2021 Domaine Huet 'Le Haut-Lieu' Sec Vouvray, Loire Valley <i>Lively, oak-aged, ripe pear</i>	153
South Africa 2018 A.A. Badenhorst 'Kalmoesfontein' white blend, Swartland <i>Serious, small parcel selected, stone fruit</i>	228
Australia 2022 Vino Volta 'Nothing wrong with Old Skool', Swan Valley <i>Easy, simple, delicious</i>	144

Pinot Noir

Perhaps the world's most difficult grape to grow, where only the most passionate of winemakers dare to try their hand. Pinot noir is often referred to as the "heartbreak grape" because of its difficult growing conditions and low yields but is also highly prized by winemakers for its unique flavor and aroma profile. With great quality and scarcity, it is no surprise that Pinot Noirs are so highly regarded today.

Cabernet Sauvignon

The world's most planted grape variety is Cabernet Sauvignon. Grapes of this variety are small, thick-skinned and known for their structure and aging potential. Renowned for its vast flavour potential, deep colour and affinity with French oak barrels, one can see why people across the wine world are drawn to it.

Grenache

The underdog variety. Though responsible for some of the most delicious and expensive wines in the world, this varietal is often forgotten in our daily vocabulary. From exalted wines like Châteauneuf-du-Pape to cult Australian wines, this grape is a showstopper.

Juyondai Sake

Founded in Edo period 1615 with over 400 years of history in the northern Yamagata Prefecture as the Takagi Shuzo brewery, Juyondai sakes are often rated as the most sought after sakes in the world.

The brewery is highly meticulous in its selection of rice for production; and its success largely associated with a fragrant, fruity aroma and fresh taste, in contrast to majority of spice-forward sakes enjoyed by the Japanese market.
